Statement describing the victim/s need for protection from the respondent

- Write clearly. If you need more space below, attach additional page/s. Do not write on the back.

5. Describe what the Respondent did or said that you think is harassment or stalking.

- You must describe what the respondent actually said.
- You must describe what the respondent actually did.

The respondent has committed acts of harassment or stalking as follows:

A. Describe the most recent incident of harassment or stalking.

Date and time (on or around): Approximately 02.19.2022

Location: Online; King County

What did the respondent do or say that you believe to be harassing or stalking behavior?

The Respondent, over a long period of time, has been aggressively attacking the Petitioner online. He is bullying, misleading community members on the character and actions of the Petitioner incessantly.

The Respondent accuses the Petitioner of coordinating community action in speaking up to city council in a negative light portraying her as a liar and going so far as to say that.

The Respondent has contacted elected officials to say derogatory things about the Petitioner so that she is considered toxic and dangerous.

The Respondent is directly contacting people in the community, in writing and possibly otherwise, to get them to buy into his delusional belief that the Petitioner is a liar and acting as a 'agent of the city'.

The Respondent has, according to a public document, told a community member: "I'm going to destroy Dave and make Stephanie [Petitioner] feel the pain."

The Respondent made an allegation to others that the Petitioner had some sort of special agenda. The Petitioner told the Respondent to stop with the hateful nonsense and her has not done so.

How did the respondent make these statements? ☐ in person ☐ mail/written notes
☒ e-mail ☐ text ☒ phone ☒ social media (such as Facebook and Twitter)
☒ other (describe): Messaging App

B. Describe other incidents of harassment or stalking. For each incident, include the date, time (on or about), location, what was said, how statements were made, and what was done to a victim.

Either in-person or over the phone, the Respondent told Dr. Michael Scoles, in reference to the respondent and her father, "I'm going to destroy Dave and make Stephanie feel the pain." This stemmed from a conflict between the Respondent's dad and the petitioner. The Respondent has spent over a year seeing that promise through by way of harming the Petitioner as causing distress to the Petitioner could potentially destroy her father. This is cited in a public document dated June, 2021. The incident, however, allegedly happened much earlier in the year.

The below instances have taken place online over the past ten months, roughly. The Petitioner has blocked the Respondent on all social media channels so the evidence, date, and times are based on the screenshots or forwarded information provided to her from people in the community. This is also only limited to what the Petitioner has been made aware of.

The Respondent has used social media to communicate with the community that the Petitioner has done/participated in things that she hasn't to degrade her credibility and paint her as a bad person who is untrustworthy and desperate. This includes commenting on Nextdoor posts, posting on Facebook, commenting on posts on Facebook (multiple), and sending private messages to members of the community using the Facebook Messenger app.

The Respondent posted an allegation about the Petitioner on March 4, 2021 at 9:05am. The Petitioner responded asking him to "So please, stop. Stop with the badgering. Stop with the expectations. Stop with the undue attacks. Stop with petulant behavior..."

The Respondent has used email and his influence on the city council to create public record of me doing things that would make the petitioner appear reckless, angry, malicious, and untinged. Specifically, the Respondent accuses the Petitioner of coordinating a smear campaign against council which is untrue. He's doing this to create public record which will hurt the Petitioner as well as hurt her father who is a City employee, a public servant of fifty years (February 1972 - February 2022).

The Respondent has spoken to city councilmembers over the phone to encourage them into believing outrageous things about the Petitioner, that she's written letters on behalf of other community members as well as them, in order to make it appear that she's an "Agent of the City" which will, in turn, hurt her city employee father. He has done this specifically to hurt the credibility and trustworthiness of the Petitioner causing her unmanageable distress. The "agent of the city" allegation was made in writing, via email, in January, 2022.

The Respondent collected information from the Petitioner, under the guise of being a friend and journalist, to have a formal complaint filed against the Petitioner's father. He put her genuine care, interests, credibility, and authenticity in question as a formal investigation launched. Ultimately, while there were no findings of the Petitioner's dad doing wrong, as stated in a public Executive Summary, yet the Respondent has gone on to tell people how terrible the Petitioner is. He intentionally manipulated her to hurt her, using whatever tactic he could - using the city council, using city resources, using social media, using messaging, and using his blog. It is malicious and abusive.

The Respondent has leveraged the blog he is the editor of, with an alleged 3,000 subscribers, to mislead the public about the character of the Petitioner. This character assassination and is uncalled for, she is not a public employee or elected. The Petitioner's uncontrolled anger knows no bounds. On November 17, 2021, he green-lit an article which specifically stated that the Petitioner censors people on social media who are critical of her father and misrepresented her power to have anything the Petitioner doesn't like, removed. The blog post states that Petitioner threatens people which is not true.

On February 19, 2022, the Respondent sent a message to a member of the community accusing the Petitioner of pushing a lie. This is untrue. The community member was taken back and encouraged the Petitioner to finally take legal action. The community member had submitted public comment to city council in November 2021 but the Petitioner had nothing to do with it. The messages are intimidating considering the Respondent's power and influence online especially when people see what he's doing to the Petitioner.

On January 5, 2022, the Respondent sent a message to a member of the community accusing the Petitioner of putting the community member up to something, attempting to seed doubt into the mind of the community member, simply because that community member expressed concern with the Respondent. The Petitioner did not put the community member up to anything. This is paranoia. The community member received multiple messages on the subject and ended up having to block the Respondent.

6. How did the incidents you describe above make you, the minor, or the vulnerable adult feel?

I've felt physically nauseous and scared to be out in public. My confidence has dwindled dramatically and I avoid going out into the community as I once did. My migraines and other neurological issues have become nearly impossible to manage. My neurologist has noticed the impact of the outrageous bullying and attacks on me and told me, on 2/22/22 to file a restraining order right away and to go to the police. I explained that I can't go to the police without it being used against me by the Respondent in a hurtful way. My neurologist has had to increase doses of medications I'm prescribed. My sleep has also gotten worse and my sleep doctor has also discussed my emotional stress and has me taking double doses of medication to try to sleep.

The worst part is how this affects who I am as a mama and a wife. I'm depressed, crying all the time, and am way too easily irritated. I feel embarrassed and ashamed with my family and have lost much of my zeal. It's a horrible feeling to be scared of what is coming next. I'm always nervous and on edge.

7. Has the respondent used, displayed, or threatened to use a firearm or other dangerous weapon in a felony? Please describe:

Not that I am aware of.

8. Is the respondent ineligible to possess a firearm under the provisions of RCW 9.41.040? Please describe:

Not that I am aware of.

9. Does possession of a firearm or other dangerous weapon by the respondent present a serious and imminent threat to public health or safety, or to the health or safety of a victim? Please describe:

I hope not. I have no idea how unhinged he will get just in reaction to this filing.

10. Do you have any evidence of the harassment or stalking conduct other than testimony?

☐ No

☒ Yes. I have attached the following evidence:

☐ Copy of mail or written notes

☐ Copy of text messages

☐ Copy of email messages

☒ Copy of social media messages

☐ Police report

☐ Declaration or Affidavit from the following witness: _____

☒ Other (describe): Social media posts, comments, and posts on the blog he's the editor of.

11. Has/have the victim/s or the respondent ever requested or obtained protection from the other person in a restraining order, civil protection order, or criminal no-contact order?

If yes, list the type of order, the name of the court, the approximate date of the order, and whether the request was granted:

No.

12. Is there any other litigation between the victim/s and the respondent? This includes all matters - pending or past - such as parenting plans, landlord-tenant disputes, employment disputes, or property disputes. If yes, provide case number/s if known, type of case, and name of court:

No.

➤ Requests

13. I ask the Court for an order approving the following requests for protection:

I Request an **Order for Protection** following a hearing that will:

<input checked="" type="checkbox"/> No Contact: Restrain the respondent from making any attempts or having any contact, including nonphysical contact, with the person/s to be protected, directly, indirectly, or through third parties, regardless of whether those third parties know of the order, except for mailing of court documents.
<input checked="" type="checkbox"/> Surveillance: Prohibit or restrain the respondent from making any attempt to keep or from keeping the person/s to be protected under surveillance, including electronic surveillance.
<input checked="" type="checkbox"/> Exclude from places: Exclude the respondent from the <input checked="" type="checkbox"/> residence <input type="checkbox"/> workplace <input type="checkbox"/> school <input type="checkbox"/> day care of the person/s to be protected.
<input checked="" type="checkbox"/> Stay Away: Prohibit or restrain the respondent from entering or being within, or from knowingly coming within, or knowingly remaining within <u>100 yards</u> (distance) of the <input checked="" type="checkbox"/> residence <input type="checkbox"/> workplace <input type="checkbox"/> school <input type="checkbox"/> day care of the person/s to be protected. <input type="checkbox"/> other locations: _____.
<input checked="" type="checkbox"/> Other: No more social media posts, comments, messages, or blog posts on The Comment about or even referencing the Petitioner.
<input checked="" type="checkbox"/> Evaluation: Order the respondent to have a <input checked="" type="checkbox"/> mental health <input type="checkbox"/> chemical dependency evaluation. <input type="checkbox"/> other: _____.
<input checked="" type="checkbox"/> Pay Fees and Costs: Require the respondent to pay fees and costs of this action, which may include administrative court costs and service fees and petitioner's costs including attorneys' fees.
<input type="checkbox"/> Surrender Firearms: Require the respondent to immediately surrender all firearms, other dangerous weapons, and any concealed pistol licenses, and prohibit the respondent from accessing, obtaining or possessing firearms, or other dangerous weapons, or concealed pistol licenses.
<input checked="" type="checkbox"/> Duration: Remain effective longer than one year because respondent is likely to resume acts of unlawful harassment or stalking conduct against the persons to be protected if the order expires in a year.

Emergency temporary protection (up to 14 days) until the court hearing:

- ☒ An emergency exists as described below. I request that a **Temporary Protection Order** granting the relief I requested above for a no-contact, surveillance, exclude from places, or stay away order be issued immediately, without prior notice to the respondent, be effective until the hearing.
- ☐ I also request a temporary surrender and prohibition of all firearms, other dangerous weapons, and concealed pistol licenses without notice to the other party because irreparable injury could result if an order is not issued until the hearing.

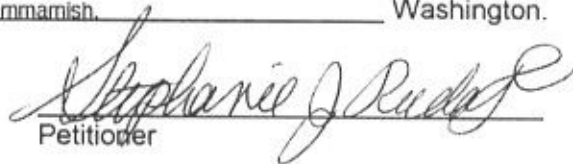

What irreparable harm would result if an order is not issued immediately without prior notice to the respondent?

He will keep going, without any regard to the terrible impact his words and actions have on the Petitioner. As stated by people who are party to this or are witnesses, 'he will not stop, it is only getting worse'.

I desperately need immediate help. My mental wellness is affected by his bullying and using me to have power. I'm scared of him. Even my doctor has urged that I go get a restraining order right away.

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.

Dated: 2/23/2022 at Sammamish Washington.

Miki,

Hope you and your family are enjoying Spain. First off, two years ago when you asked me to start the PAC, I never envisioned how much this would raise my awareness to what is going on in our city, nor did I realize how much valuable time it would take away from my family. However, in that time, I feel like I have forged a lot of great friendships. You are first on that list. I feel like we went to war together and were a great team. In the past six months, your actions have not been those of a friend or a good teammate.

Ken, who I think is probably one of your closest friends, Karen and I, have repeatedly urged you to stop your vendetta against Dave Rudat. Just over a year ago, all you could talk about was this wonderful city manager in California you were recruiting. You were the primary person to influence him coming here and accepting the job. You were also key in finding Peter Eglick. Less than a year later, your sole focus is to get Dave fired. I know, that both Dave and Peter, after a few months, stopped accepting your calls. They grew weary of you telling them what to do. A blind man could see that this is the reason for your anger and vindictiveness. Your level of angst towards Stephanie is still hard for me to wrap my head around. Your comment to me, "I'm going to destroy Dave and make Stephanie feel the pain." That came from a dark place and something rational people don't verbalize. For your health, please reevaluate what you are doing. You aren't thinking or acting like the Miki I know. Do you think it's possible that it is you, not the three of us are who are dead wrong? I have always valued your judgment and analysis, its way off in this instance.

You presented information to Ken, Karen and I that potentially showed impropriety with Dave sharing sensitive information with his daughter. You did this in hopes of getting them to move to investigate Dave and get him fired. The two of them wanted no part in it, feeling that the information had little merit. Tom Hornish, when seeing the facts, felt the same way. And against everyone's advice, you went to Christie with the information. I know you and her have always had a close relationship. I have seen the emails where Christie shares she sent you information from executive session. The exact same thing that got Pam censured.

Christie repeatedly tried to bring Pam back into executive session, before her suspension was over, solely so that she would have the required votes to take action against Dave. Christie working with Pam? They're having a snowball fight in hell....

You forced the council's hand and opened them to liability by sending the all of them a packet of documents. *This information was sent shortly before* a Tuesday council meeting. In that meeting, Kent and Ken had not reviewed the material and Christie took it upon herself to kick Ken and Kent out of executive session because they had not read it. The legality of her actions is now in question and being reviewed by outside counsel.

You and Christie obviously want Dave out. The "Rockstar" you hand-picked. Ken, Karen, and Kent think he is doing his job. I asked Tom O'Dell on the phone what he thought of Dave and he said he was doing a good job. The city staff seems to like and respect him. City manager is a tough position, trying to appease the council, staff and citizens all at once. Christie is obviously against Dave for political reasons. She doesn't like Karen and thinks his ouster will make Karen look bad in an election year. Karen wasn't even invited to be part of the recruitment process.

You always tell me you hate liars. If you can't admit to yourself that the reason you are against Dave is because you've lost influence with him, you aren't being honest with yourself. You and Christie are not remotely putting the city's best interest at heart through these actions. You and her are opening the city to a potential lawsuit if this proceeds, and it is not doing anything to further our main goal.

I got involved in this stuff to help preserve the character of our city and allow infrastructure to catch up before any new development. I thought that's what you wanted as well. Please take a step back and look at what you are doing.

Love to have that friend back from a few years ago,
